ABOUT COMPANY

Progen Power is a trusted provider of temporary and long-term power rental solutions, built on a foundation of technical expertise, integrity, and unwavering commitment to service excellence. Since our establishment, we have continuously delivered reliable and efficient power systems to clients operating in demanding conditions, critical operations, and remote project sites.

With a robust fleet of diesel generators ranging from 20 KVA to 2000 KVA, we support industries across construction, manufacturing, oil & gas, events, utilities, and infrastructure. Our reputation is built on prompt service, high-quality equipment, and a dedicated technical team ensuring seamless performance throughout the rental period.

At Progen Power, we don't just rent equipment — we deliver complete power solutions that keep your operations running without interruption.

To provide reliable, efficient, and cost-effective temporary power solutions that support our customers' operations with safety, consistency, and technical excellence.

OUR MISSION

OUR VISION

To be the most trusted and preferred power rental partner in the region, recognized for quality, innovation, and superior service in every project we undertake.

OUR SERVICES

We provide end-to-end operational support through high-quality equipment, skilled manpower, and seamless logistics. Our services are designed to enhance productivity, reduce downtime, and ensure smooth operations across all project environments.

Diesel Generator Rental

Reliable and fuel-efficient generators available for short-term and long-term rental. We ensure uninterrupted power supply for construction sites, events, industries, and emergency backup needs.

Heavy Equipment Rental

A wide fleet of well-maintained machinery to support construction, industrial, and infrastructure projects. Our equipment undergoes regular inspections to guarantee performance, safety, and project efficiency.

Transportation

End-to-end transport services for materials, equipment, and project shipments of all sizes. We focus on timely delivery, safe handling, and seamless coordination to keep your operations running smoothly.

Manpower Supply

Providing skilled and unskilled workforce for construction, industrial, maintenance, and operational roles. Our manpower solutions are flexible, reliable, and tailored to meet your project's exact requirements.

Hardware Material & Stationary Supply

Supplying high-quality stationery, office supplies, safety gear, and hardware materials for day-to-day operations. We ensure timely procurement and delivery to keep your workspace and project activities fully equipped.

DIESEL GENERATOR RENTAL

Progen Power offers a wide fleet of high-performance Diesel Generators suitable for all industries and environments.

Our DG units ensure smooth operations for projects of any scale, whether for planned use or emergency backup. We provide high-performance diesel generators to ensure uninterrupted power for construction sites, industries, events, and emergency needs.

Available Generators

- 20 KVA to 2000 KVA Diesel Generators
- Advanced synchronization for multi-DG setups
- Tower Light & Welding Machine
- Temporary, standby & emergency power

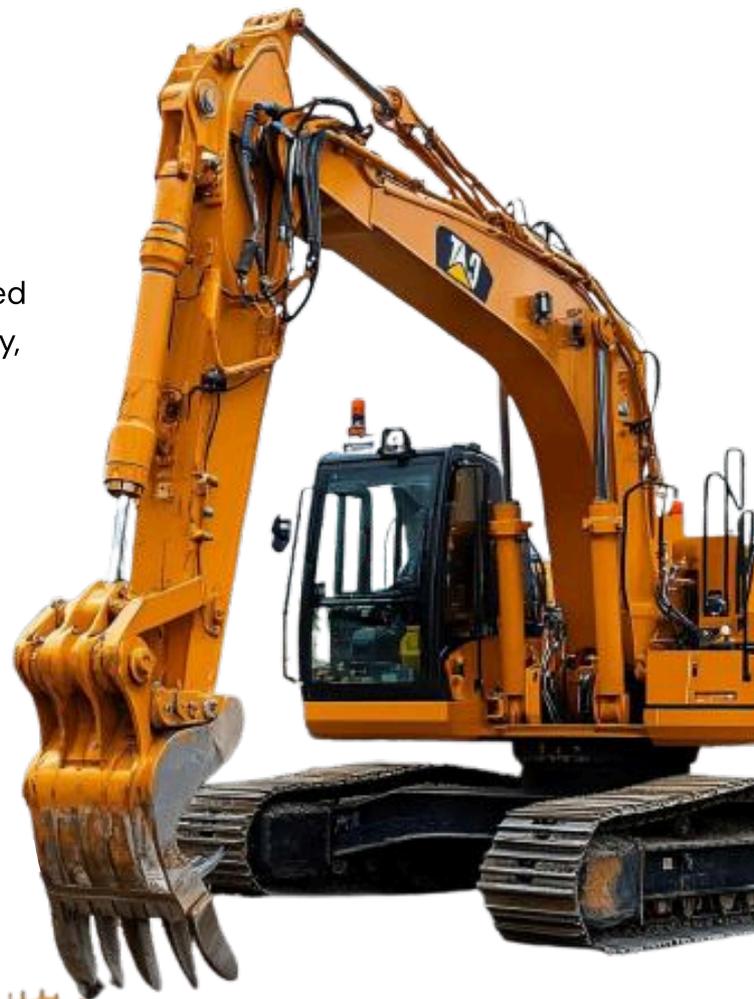

Ideal for

HEAVY EQUIPMENT RENTAL

We provide a wide range of top-quality heavy machinery to support construction, industrial, and infrastructure projects. Our equipment is maintained to the highest standards to ensure safety, efficiency, and reliable performance on every site.

- Excavators
- Wheel Loaders
- Forklifts
- Telehandlers
- Man Lifts
- Cranes (Mobile, Rough Terrain)
- Backhoe Loaders

TRANSPORTATION

We provide reliable transportation solutions to ensure the safe and efficient movement of equipment, materials, and manpower. Our fleet is equipped to handle projects of all sizes, delivering timely service and secure handling across all locations.

- Trailers
- Low-bed Trailers
- Flatbed Trailers
- Hydraulic Trailers
- Boom Trucks
- Drum Trucks
- Pickups
- Buses Available
- Water Tankers

MANPOWER SUPPLY

Progen Power provides certified, skilled, and experienced manpower to support all industrial, construction, and infrastructure projects. Our workforce is trained to meet safety standards, perform efficiently, and integrate seamlessly into ongoing operations.

Our manpower is trained, reliable, and ready for immediate mobilization, ensuring your project runs smoothly without delays.

STATIONARY & HARDWARE MATERIAL SUPPLY

Progen Power offers a complete range of stationery, office essentials, hardware tools, and construction consumables required for new projects, site establishments, camps, and commercial operations. We ensure fast delivery, quality products, and competitive pricing—making us a dependable partner for startups and ongoing projects.
